ABOUT US

Young Egypt Founded in 2003 is a brand by Young Corporation Group, has established itself as a leading manufacturer of high-quality office chairs and their components. With a clear vision for excellence, we have built a trusted name in the Global Markets, delivering innovative solutions that meet the highest global standards of quality.

From the very beginning, our focus has been on creating products that combine comfort, modern design, and durability. This vision has enabled us to expand our customer base both within Egypt and internationally. Today, we proudly export our products to a diverse range of regional and international markets, including Lebanon, Jordan, Saudi Arabia, the UAE, and beyond.

At Young Egypt Industry, our team is one of our greatest assets. Comprising a group of skilled professionals, our team is dedicated to meeting the needs of our clients in the best possible way. We are constantly striving for innovation and development, which reinforces our position as a leader in the industry.

We offer a wide range of office chairs designed to meet your needs and preferences in terms of colors, materials, and configurations. We understand the importance of comfort and proper support during long working hours, which is why each chair we offer is meticulously crafted to maintain spinal health and enhance productivity. In addition to our diverse selection of office chairs, we also provide high-quality components and parts for office chairs, including armrests, bases, and other essential elements. These components are designed to ensure that your chairs remain functional and comfortable over time.
